3. Trustee Report: Shared the important role of our school resource officer and a proposal was made to have Cst. 5. Staff Report: Staff were very excited to hear about our grade 6 students joining our school council meeting.

Principal's Report: Craig Fullarton

We are so very grateful for the support we have received from our school council and are extremely excited with the discussion and ideas that have been generated during our time together. It is important to us that members of our school community have the opportunity to share their voice and we are actively looking for ways to provide stakeholders with the chance to engage in school growth and improvement. Several opportunities to provide feedback will be available over the next few weeks and it is crucial that we have a high response rate. As we approach February, excitement in the building is high as we plan and prepare for events such as Wonderful Wednesday and other activities that have been sidelined because of the pandemic. It is hard to believe, but we will soon be talking about and initiating planning for the 2023-2024 school year.

Supporting *ALL* Students

**PINK SHIRT
DAY**

February 16, 2023

Together...We CAN Make a Difference!
Show your support on Pink Shirt Day and EVERYDAY.
Our students show us every day how much they care for one another.

Bullying Awareness

As a part of our school-wide focus on kindness, Mr. Fullarton and Mrs. Ouelette will visit all Grade 5 classrooms to discuss the topic of bullying in February. In a series of lessons, the students learn to make responsible choices by:

- * Changing their attitude towards the effects of bullying
- * Changing their attitude towards children with differences
- * Focusing on using a problem-solving approach that uses conflict resolution strategies
- * Understanding the role of the bystander when bullying occurs

In class, we discuss how to avoid being a target for bullies. We will also review the HA, HA, SO strategies that were taught to classes in September.

Humour **A**void **H**elp **A**ssert Yourself **S**elf Talk **O**wn It

As a class, we concentrate on the role of the bystander or witness in bullying. We all need to speak up and care for each other. When we do, we make our world a better place for everyone.

Bullying is when someone deliberately tries to hurt someone else they think is weaker than they are. In many cases, bullying is repeated over and over and can cause a lot of pain that lasts a long time. It can even lead to things like depression, anxiety and low self-esteem.

Bullying happens in many ways, but some common forms of bullying are **verbal** (teasing, name-calling), **physical** (hitting, kicking, pushing, breaking someone's toys or favourite things) or **social** (leaving someone out, spreading rumours).

Cyberbullying is using social media or other technology like texting to threaten, embarrass or even damage a person's reputation.

Bullying, either on the internet or in person, can have long-term negative effects so it's important to let bullies know that what they are doing is wrong!
