École Lacombe Upper Elementary School - School Council Meeting Minutes - May 29, 2024

A big **THANK YOU** to everyone who attended our School Council Meeting on May 29, 2024. Following is a summary of the meeting highlights.

In attendance: Craig Fullarton (Principal), Vanessa Ouellette (Vice-Principal), Michele Brousseau (Educational Assistant), Angela Richter (Hunger Busters), Christina Rice (Treasurer), Kelly Lowry (Trustee), Jewel Graham (Parent)

7:15pm Meeting called to order

Correspondence and Reports:

- Trustee Report (Kelly Lowry/Brent Buchanan): The board received a presentation on AI and is currently considering whether to implement a related policy. The Chief of Staff of Alberta Education has called a meeting to engage all school boards in discussing priority areas. Additionally, the Education Plan was approved by the Board. The Youth Conference was a success, with over 200 students attending, including participants from the Secondary Ponoka Campus.
- Treasurer's Report (Christina Rice): The School Council's support for various initiatives, including the Cross Country Running Team's pinnies, ELUES Swag for monthly assemblies, Growth Conference suppers, C-pens, and ribbons for Track and Field day, has been greatly appreciated. Notably, there are still funds available to support bussing for the Grade 6 camp.
- Hunger Busters (Angela Richter): The hot lunch program has concluded for the year, with families expressing gratitude for keeping the meals affordable. As a major school fundraiser, the program's addition of a donation option was well-received, allowing greater inclusivity by enabling more students to participate. Efforts to find cost effective vendors are ongoing.
- Staff Report (Michele Brousseau/Akemi Matthie): ÉLUES has hired Megan McLeod to teach grade 6, resulting in a total of four grade 6 teachers instead of the three.

Old Business:

- Joint Council Meeting Feedback- The focus was on Artificial Intelligence led by Greg Esteves on Tuesday, March 19th at 6:30pm at Ecole Secondaire Lacombe Composite High School. Parents were encouraged to bring their devices to try out the various tools that were shared during the presentation. It was well attended and we heard great feedback from those who went.
- Jo Phillips Parent Presentation Feedback- presenting to students and parents related to Social Media usage on May 6th. She presented to the grade 6's in the afternoon and in the evening to parents. We had a few families come from other schools. Those who attended enjoyed and appreciated the session.

New Business:

- **2024/2024 Planning, Allocations, ACE Plan**- The grade configurations for the upcoming school year were reviewed. Additionally, the ACE Plan is in its early stages of development. The administration team will present the ACE Plan to the School Council in the fall.
- **2024/2025 School Fees**- School fees have been increased by \$5 to account for inflation and to help cover the costs of school-wide events and speakers.
- **Grade 6 Camp/Outdoor School**- Everything is set for Grade 6 Camp/Outdoor School next week. The administration team held a well-attended Camp Volunteer meeting to discuss camp details and responsibilities. The School Council has kindly agreed to support covering the bussing costs of \$3200 as well as \$10/student attending camp.
- **Wonderful Wednesday**- Plans for this special event are nearly complete, with sessions tailored to students' interests. We're excited about this opportunity for our students to explore the diverse offerings within the Lacombe community and beyond.
- **Ryan Lee Rice Awards** will take place on June 18th, 2024. We have requested \$400 to cover the cost of the trophies and engraving and the School Council has kindly agreed to support the cost.
- **Track and Field Day Ribbons/Concession**- We initially requested \$650. Although the cost of bussing for grade 6 camp has increased, council agreed to cover this cost if additional sponsorship/donations could not be found.
- **Early Survey Results & Themes**- Approximately 40 parents have participated, with the predominant theme revolving around parent engagement. We will continue to prioritize raising awareness of this issue among parents and sharing the many ways they can get involved at our school and in their child's education journey.

Upcoming Meeting Dates: June No Meeting.

If you have any suggestions, questions or concerns regarding the above School Council happenings or if you have any items you would like included on future agendas, please contact Principal, Craig Fullarton, at 403-782-7410.

Next Meeting: September 2024 (TBD) Meeting adjourned at 8:34 pm.

Quality Citizenship Recognition - May 2024

École Lacombe Upper Elementary School recognizes the value, necessity and significance of positive, contributing citizens within our school, community and society. It is our goal as a school, in conjunction with the home, to develop and enhance citizenship qualities and characteristics within individuals. This will provide an opportunity for every student in École Lacombe Upper Elementary School to work towards realizing his/her own personal aspirations while making a positive contribution to society as a whole. Students who demonstrate behaviors as delineated in the following criteria shall be eligible for the Quality Citizenship Recognition Award.

- Demonstrate positive interpersonal relationships with peers and adults.
- Demonstrate a consistent high level of responsibility, dependability and cooperation.
- Demonstrate a high level of consideration for the personal feelings and property of others.
- Demonstrate a positive role model in terms of leadership and participation in both school and classroom activities.

This month, the following students are being recognized as outstanding citizens were treated to a coupon from Boston Pizza for an individual pizza and pop:

Kaia	Anna-Marie	Elijah	Crimsyn
Silas	Eileen	Quinn	Cayden
Mackenzie	Julie	Kayne	Jordyn
Emersyn	Mya	William	

Congratulations to these outstanding citizens and also to our Staff of the Month:
Mrs. Kabatoff, Mr. Miller, Mrs. Matthie

School Council Positive Participants

The staff of École Lacombe Upper Elementary School would like to express their appreciation to our School Council executive members for their unwavering support and assistance throughout the year. Thank you for being such caring, giving and thoughtful people. Special thanks goes out to the following parents/guardians:

Gifty Amakye—Chair Jewel Graham—Vice Chair
Christina Rice—Treasurer Angela Wymann-Richter—Hunger Busters
Staff Reps—Akemi Matthie and Michele Brousseau
Trustees: Kelly Lowry/Brent Buchanan

Subway Students of the Month - May 2024

- ◆ Commencing the fourth week of September and ending the last week of June, each homeroom teacher will select three or four students once a month for this student recognition program.
- ◆ Students for this program will demonstrate academic excellence and/or excellent academic effort.
- ◆ Students who are chosen for this program will be called to the office by the administration and bring with them the work for which they have been selected. The student will share/discuss the work with the administration.
- ◆ A copy of the student's work and the student's picture will be displayed on the Student of the Month boards outside the general office for the following month. The student's name will also be announced.
- ◆ Students will receive a certificate highlighting their accomplishment and they will receive a gift coupon from the Student of the Month Sponsor, Subway.
- ◆ The administration will make a Happy Call to each student's parents/guardian congratulating the student on his/her accomplishment (s).

Ryan Lee Rice Memorial Citizenship Awards Ceremony

The Ryan Lee Rice Quality Citizenship Awards ceremony will be held on Tuesday, June 18th at 2:00 p.m. in the gym. The Ryan Lee Rice Memorial Citizen Award was established in 1985 by Harvey and Margaret Rice in memory of their son, Ryan, who passed away in September 1985. Ryan was a Grade 6 student who held the distinction of being the first recipient of the Nelson School's (now École Lacombe Upper Elementary School) **Super Kid Award**. This award later became known as the **Perfect Panda Award**.

Each year, a **Ryan Lee Rice Memorial Citizenship Award** is presented to one individual in each classroom who has consistently demonstrated the following characteristics:

- ❖ Exhibits positive interpersonal relationships with peers and adults
- ❖ Demonstrates a consistent high level of responsibility, dependability and cooperation
- ❖ Demonstrates a high level of consideration for the personal feelings and property of others
- ❖ Is a positive role model in terms of leadership and participation in both school and classroom activities

Each recipient's name is engraved on a centrally located plaque. Recipients also receive a personalized certificate and an engraved trophy both of which are sponsored by the **École Lacombe Upper Elementary School Council**.

Parents/Guardians of students receiving this award will be contacted by their child's homeroom teacher.

What if we are moving?

Will your family be moving from our school's attendance area? If so, please let us know as soon as possible in order to help us plan for the 2024-2025 school year. Thank you for your cooperation and assistance

When do I find out my child's classroom teacher?

Parents are invited to log into their Parent Portal to find out whose class their child will be in. This information will be available as of August 30, 2024. Those who do not have access ID & passwords for Parent Portal (i.e., those new to the school), can contact the front office as of August 30th.

Still stuck?

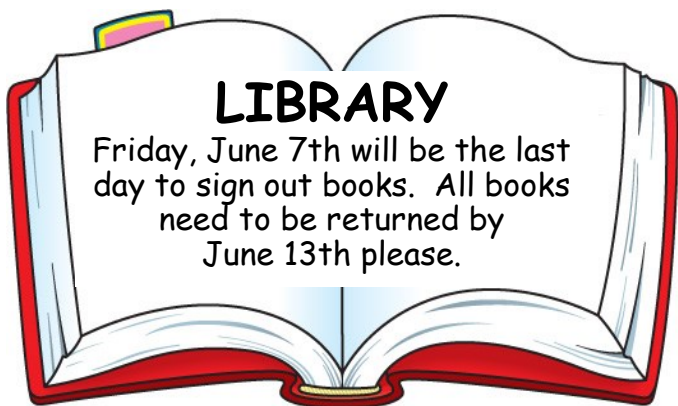

Please contact Mrs. Broderson in the office between 8:15 am-3:45 pm for any other questions or concerns you may have.

When will I do a registration form for 2024-2025 ?

Current ÉLUES students and grade 3 ÉJSM students will receive an email the third week of August to register for the 24-25 school year. Please submit your child's registration as soon as you receive this email so all our information is up to date.

When do students start school?

Students whose last names end A–L will be at school on September 3. Students M–Z will be at school September 4. All students will attend September 5. Parents are welcome to help their child drop off supplies on the day they are assigned to attend. A full school open house/meet the teacher will be September 11.

Grade 7 Orientation

Class orientation sessions and tours of the École Lacombe Junior High for all grade 6 classes are taking place. This activity is designed to assist students in making the transition to Junior High and to help students consider potential complementary course selections. Thank you to the École Lacombe Junior High staff for welcoming the "new grade sevens"!

Mayor for the Day

Congratulations to the recipients of the Mayor for the Day award: Emersyn Steeves, Jordana Cochrane, Dalilah Shipton and Abigail Wilton. These outstanding sixth-grade students submitted essays to Mayor Creasey, detailing the changes, improvements, and initiatives they would implement in Lacombe if they were granted the chance to be Mayor. In honor of their achievements, these winners were invited to City Hall on May 2nd for a tour and to attend a council meeting alongside Mayor Creasey. They were also treated to a nice luncheon alongside VIP guests and community dignitaries.

Dear Alberta schools and parents,

Pickleball Alberta is launching an opportunity for kids ages six to eighteen to learn how to play pickleball in a junior HOTSHOTS program. We provide eight hours of pickleball training with qualified NCCP coaches in different time formats, depending on the club offering the program. We have fifteen pickleball clubs across Alberta participating.

The youth will receive a junior Poach paddle, safety goggles and a hat with a \$75.00 registration fee to a maximum of twenty-four youth per club. The youth also must be members of both Pickleball Alberta and Pickleball Canada which gives them insurance all year round. The Pickleball Alberta fee will be \$15.00 and Pickleball Canada is \$10.00. The link below at Pickleball Canada's web page will provide access to the registration.

Each club will be launching a free *Try It* session to give the youth a basic understanding of the game and expectation of the HOTSHOTS clinic. These dates for specific clubs can be opened by the QR codes below on the poster or directly to these links:
If you have any questions, please email della.curry@pickleballalberta.org

We look forward to seeing the junior HOTSHOTS across Alberta playing our great sport of pickleball!

Information

Don't ban or forbid if they tell you about a problem they're having online.

Kids across the country are trying to solve their own problems online because they predict, often correctly, if they tell the adults in their lives they will either lose phone privileges, or be banned from using the platform.

Parents need to think of social media and devices like a swimming pool for our kids. Lots of fun, new skills to be learned, time to play with their friends, and no deep end until you're ready to swim in it. But at the same time, if your child is being repeatedly splashed and dunked, you don't respond by taking away the swimming pool. "That's it. Someone else is acting inappropriately so you can never swim again."

No. You respond by helping them with the problem, and then encouraging them to go back to having fun and building their skills and relationships with their friends. We need to respond in the same way with social media.

Don't ground them from their device unless they've done something incredibly serious.

It's the parenting go-to. "That's it. No more phone!" But what many parents fail to realize is how extreme this punishment is, and how little it teaches kids about how to deal with their challenges. When we take away a device, we take away their connection to friends and family, their music, their entertainment, their search engines, their alarm clock, their safety and ability to communicate with us when they're away from us.

A kid in grade nine once told me, "My mom installed a bunch of tracking stuff in my phone, and she reminds me to take it with me when I leave the house and it makes me feel safe. And then she grounds me from my phone, and I have to leave the house without it and it scares me."

At the end of this document is a Charter of Rights and Freedoms for kids. Use this to set out choices and consequences, and you'll have a better path forward.

Learn how they're using their device to navigate the world.

Don't learn from Google, or other parents. Learn from your kid! Many kids will use their device to help manage anxiety, often through simple games. Some kids will use them to manage the stresses of being in school - a classroom environment all day is tough for introverted, anxious, or shy kids! Teens might use their phone to find out who's going to be at a party, so they know if it's a place they want to be.

Model good device etiquette yourself.

We hold our kids to a standard of etiquette and use that we don't seem to hold ourselves to. Of the over 140,000 kids I've spoken with, almost all have told us they have a parent who is always on their device. All of them say that their parent often doesn't hear what they're saying because they're involved with their phone. Their TikTok (which is their television, along with YouTube) screen time is the same as your Greys Anatomy binge or WWII documentary screen time. And please stop texting and driving. It scares your kids.

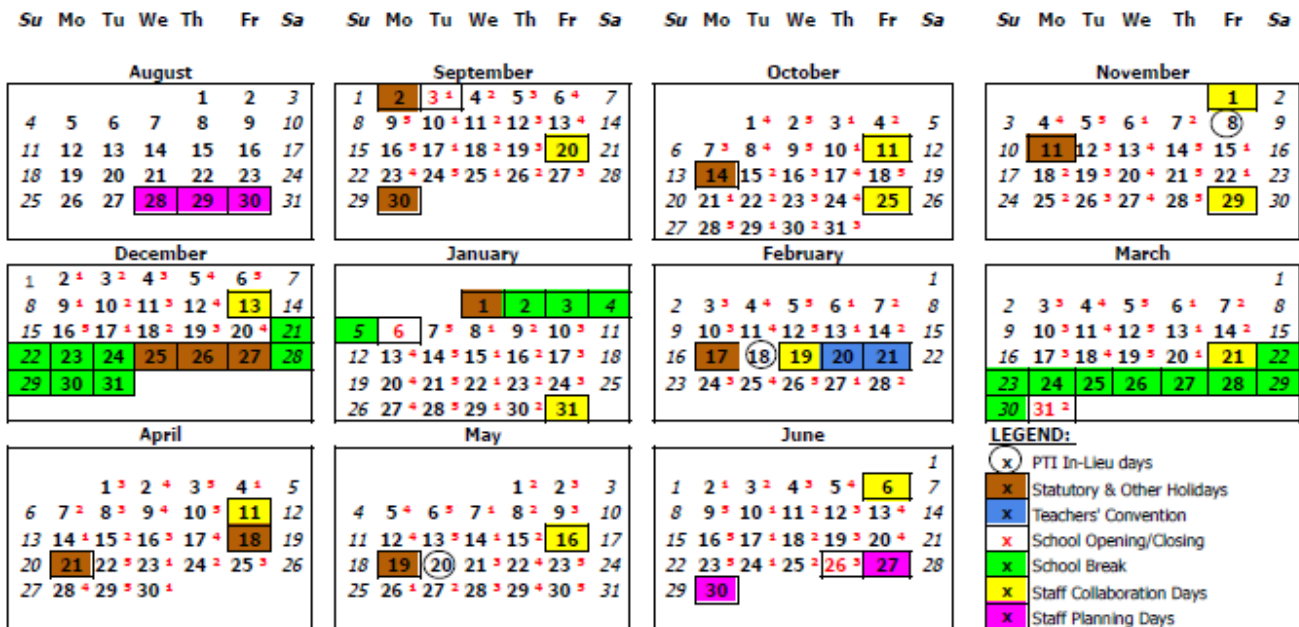

Stand up for them.

When kids and their use of social media is brought up at the next family gathering, stick up for your kids. Make sure that they, and you, aren't on your device inappropriately. But if your kid needs a brain break, a barrier, a chance to chill, support them! And if the convo turns negative about "kids these days" talk about the cool things they've learned, and maybe taught you. Take pictures with them. Maybe encourage everyone to join in creating a TikTok.

This is a different world. Our kids DO have devices. They DO have social media. They ARE impacted by technology all around them. You may believe the way you grew up was better, but this is the way they're growing up. Our kids need us to stop listening to other adults about how they're using social media and start listening to them.
