Quality Citizenship Recognition -

December 2024

École Lacombe Upper Elementary School recognizes the value, necessity and significance of positive, contributing citizens within our school, community and society. It is our goal as a school, in conjunction with the home, to develop and enhance citizenship qualities and characteristics within individuals. This will provide an opportunity for every student in École Lacombe Upper Elementary School to work towards realizing his/her own personal aspirations while making a positive contribution to society as a whole. Students who demonstrate behaviors as delineated in the following criteria shall be eligible for the Quality Citizenship Recognition Award.

Demonstrate positive interpersonal relationships with peers and adults.

Demonstrate a consistent high level of responsibility, dependability and cooperation.

Demonstrate a high level of consideration for the personal feelings and property of others.

Demonstrate a positive role model in terms of leadership and participation in both school and classroom activities.

This month, the following students are being recognized as outstanding citizens and have been treated to a pizza party at the school compliments of Boston Pizza!

Christmas Spirit Days

Thanks to the Grade 6 Leadership Team who did an awesome job of helping out with the 12 Days of Christmas! Our collection of food bank donations was a very successful 356 lbs.

Some of our fun activities included a Jingle Bell Dance, Christmas Movie Bingo and our Reindeer Games. This was a great way to get in the Christmas Spirit!

Leadership

The Grade Six Leadership students have continued to apply their skills as referees and during all of our school activities. As we begin the new year we will be looking at the skills and personality traits of positive leaders.

ÉLUES Basketball Club!

Our next after school sports club to look forward to will be basketball beginning in February. All students interested in coming out to after school Basketball Club are welcome!

We will be focused on developing our skills along with playing some fun games. Further details will be sent out closer to our start date.

Music Notes!

We have had a very enjoyable and successful first term with our Music Club at ÉLUES with almost 60 eager singers coming out each week who love to sing and who are not afraid of a crowd. This year our performances at the Remembrance Day Service and at the Lacombe Rotary Carol Festival were well received and the students had fun using their talents for others. We were once again very proud of the way the students sang and the enjoyment that was shown on their faces as they performed.

We are looking forward to a very exciting "post-Christmas" singing season. We are planning on singing at the Lacombe and District Music Festival, Choir Kids in Red Deer and we are hoping to have some other interesting opportunities as well.

Thanks to those parents who have allowed their children to be a part of our choir. They truly are an amazing group of kids and we are grateful that we get to share some music with them!
