SCHOOL'S

OUT

FOR

SUMMER

Message from the Administration:

A Year to Remember – A Future to Look Forward To

As we wrap up another incredible school year, we're filled with gratitude and pride for everything our school community has accomplished together. This year was marked by meaningful growth, resilience, and countless moments of joy - from classroom discoveries to school-wide events that brought us all closer together. We welcomed the return of cherished traditions and embraced new ones that we know will shape our community for years to come.

To our outstanding staff: thank you for the heart, creativity, and commitment you bring to our school every single day. Whether guiding students through challenges or celebrating their milestones, you've created classrooms where children feel seen, supported, and inspired to learn. It's a privilege to work alongside such passionate and skilled professionals who care so deeply for all of the students in our school.

To our students: you've amazed us. Your curiosity, kindness, and perseverance have been at the center of all we do. From learning new concepts and taking creative risks to supporting your peers and stepping up as leaders, you've made this year special. We are proud of each of you and can't wait to see what comes next in your journey.

To our families: your partnership means everything. Your support, encouragement, and involvement - whether through volunteering, helping with homework, or simply cheering your child on - make a real difference. Thank you for being such an important part of our school community.

As we head into summer, we hope you find time to relax, recharge, and enjoy everything the season has to offer. This is a chance to rest, explore, and make memories with those who matter most.

Looking ahead, we're already excited for the 2025/2026 school year. A new year always brings a mix of anticipation and uncertainty - with fresh faces, shifting routines, and new challenges to navigate. But it also brings opportunity: to grow, to reimagine, and to build on all we've learned together. With new initiatives, returning traditions, and a continued focus on student success and well-being, we're confident that - whatever the year may bring - we'll face it together as a strong and united school community.

Thank you for a fantastic school year. Wishing you a safe, joyful, and restful summer and looking forward to seeing you all in the fall!

Mr. Fullarton & Mrs. Ouellette

Happy Retirement!

Congratulations Mrs. Freitag!

After 33 amazing years of teaching, it is hard to believe that I am leaving a career that has always felt more like a hobby than a job (minus the report cards). I have truly enjoyed every minute of it—working with students, connecting with families, and even testing my creativity through lesson planning, learning new things and keeping up with the ever changing world of education.

I want to extend my heartfelt thanks to ÉLUES for the incredible experience. It's been a privilege to work alongside such an amazing staff and be part of such a supportive and caring community. My heart is full of gratitude for the many memories, relationships, and laughter that made these years so special. As I trade in lesson plans for travel plans, I'm looking forward to spending more time outside, exploring the world, and finally figuring out what people do on a Monday morning when they're not at work. Wishing everyone an amazing summer— I will definitely miss you!

Congratulations Mrs. Ehr!

Where has the time gone? After many wonderful years as an Educational Assistant at ÉLUES, the time has come for me to retire. While I am excited to begin this next chapter of my life, it's hard to leave behind all the memories and relationships that I have here. I will treasure the connections and friendships I've made with the students and staff at ÉLUES. Fortunately, I have worked alongside a great group of dedicated and caring individuals...thank you and I will miss all of you! In retirement, I plan to travel, play with my grandson, read and relax.

Have a great summer!

Congratulations Mme Ince!

I began my career in 1992 as a French Immersion teacher in Barrhead. After moving to Red Deer, I began teaching at École Lacombe Upper Elementary in 1994. I am truly blessed to have had the privilege of teaching in this school for 31 years. This school has become my second home and teaching has been a way of life, rather than a job. I am truly grateful for all of the students I have had the pleasure of teaching, and also all the families I have gotten to know. I have cherished every day. I will really miss creating lessons, helping students along their educational journeys, all the smiles, the successes and the many ways my students have brought me joy.

I know how fortunate I have been to be a part of our ÉLUES team. Our teachers and staff are incredibly talented, dedicated and committed to the success of our students. Surrounded and inspired by all of these amazing people, I have become a better teacher and I will always be grateful for having been a part of such a caring school community. I have made many lifelong friends at this school, and that is truly a rare and treasured gift.

In my retirement, I am really looking forward to traveling with my husband, spending lots of time with our kids and extended family, socializing more, doing house projects, volunteering and being a substitute teacher.

As Winnie-the-Pooh famously said: "How lucky am I to have something that makes saying goodbye so hard." – AA Milne

I wish everyone a wonderful summer break. I'll see many of you when I am back as a sub.

Ryan Lee Rice Memorial Citizenship Award

The Ryan Lee Rice Memorial Citizenship Award was established in 1986 by Harvey and Margaret Rice in memory of their son Ryan, who passed away in September 1985. Ryan was a grade 6 student who held the distinction of being the first recipient of the Nelson School's (now École Lacombe Upper Elementary School) Super Kid Award. This award later became known as the Perfect Panda Award.

- Exhibits positive interpersonal relationships with peers and adults.
- Demonstrates a high level of responsibility, dependability and cooperation.
- Shows genuine consideration for the feelings and property of others.

Records

Many of ÉLUES records date back to the early 2000's and even a few into the late 1990's -they are tough to break, but that doesn't stop ELUES students from trying!

We had two records broken this year. Congratulations!

We'd also like to thank our grade 5 students for running the activities for École JS McCormick's "Fun in the Sun". Great leadership and enthusiasm was shown by all putting on a super fun afternoon for the students.

A HUGE thank you to everyone involved in making the Grade Six Outdoor School program such a success! What a great TEAM we are - students, parents and teachers working together.

MARATHON CLUB

It was a great year for the Marathon Club with some wonderful enthusiastic kids. We had 51 kids sign up initially and all were great kids. They cheered for each other and were supportive the whole time. In the end, we had 22 students accomplish the goal of running 21.1 km or a half marathon! We even had 4 athletes make the full marathon distance of 42.2 km or greater!

I want to thank my coaches that helped the club with me as it would be a tough job for just one person! Thanks to Mme. Forman, Mrs. Nelson, Mr. Fullarton, Mr. Durocher and Mr. Aspenes for all of your help this year!

I also want to thank Joe Social Media and Vantage Trailers for being our major sponsors allowing us to reward our runners with finisher shirts. Again, without their support we wouldn't be able to make the Marathon Club as special as it is.

I can't wait for next year!
